

# Evolution and Effects: Title IX at Miami University

# Title IX

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

- U.S. Department of Education

# The Past

“Rape rumors at Miami building up to protest”

“NOW chapter march to ‘take back the night’”

“Sexual harassment at Miami”

# The Present

“Miami revamps policies to comply with Title IX sexual harassment regulations”

“‘Take Back the Night’ reclaims the F-WORD”

# The Future of Title IX
